

PETER DUMBRECK

PROFESSIONAL RACING DRIVER

Peter Dumbreck is one of the UK's most widely experienced and successful professional racing drivers. Highly rated by his peers, his fast, economical, exceptionally smooth driving style and professional approach has been called upon by factory race teams throughout his career.

A successful race career has seen him win championships and races for Mercedes-Benz, Nissan, Toyota, GM and Spyker. He is the only driver with race wins in DTM, Super GT (Japan) and FIA World GT.

ENDURANCE GT & NORDSCHLEIFE SPECIALIST

A 'Nordschleife specialist', with no less than 13 Nürburgring 24 Hours races under his belt, Peter is signed to Falken Tyre Europe in 2015 for a 10th year driving a Porsche 997 GT3R at the Nürburgring 24 Hours and selected VLN championship races.

Off the track, Peter is a Category 3 British Cycling race license holder and a member of the Shutt VR Digital Keyboard race team. He is a brand ambassador for Canyon Bikes.
